5. COSTS, PAYMENTS AND CHARGES

Costs and Charges

All costs and charges for the provision of our services are subject to an agreement between you and us. The said agreement will form an integral part of the present Agreement.

Additional costs

You should be aware of the possibility that other taxes or costs may exist that are not paid through or imposed by us.

Payments

All payments to us under this Agreement shall be made in such currency as we may from time to time specify to the bank account designated by us for such purposes. All such payments shall be made by you without any deduction or withholding.

Rollovers, Interest

A daily financing charge may apply to each FX/CFD open position at the closing of the Company's trading day as regard to that FX/CFD. If such financing charge is applicable, it will either be requested to be paid by the Client directly to the Company or it will be paid by the Company to Client, depending on the type of FX/CFD and the nature of the position the Client holds. The method of calculation of the financing charge varies according to the type of FX/CFD to which it applies. Moreover, the amount of the financing charge will vary as it is linked to current interest rates (such as LIBOR). The financing charge will be credited or debited (as appropriate) to the Client's account on the next trading day following the day to which it relates.

The Company reserves the right to change the method of calculating the financing charge, the financing rates and/or the types of FX/CFDs to which the financing charge applies. For certain types of FX/CFDs, a commission is payable by the Client to open and close FX/CFD positions. Such commission payable will be debited from the Client's account at the same time as the Company opens or closes the relevant FX/CFD. Changes in our swap interest rates and calculations shall be at our own discretion and without notice. Rates may change quickly due to market conditions (changes in interest rates, volatility, liquidity etc.) and due to various risk related matters that are at the firm's sole discretion.

6. NON-ADVISED

Execution only

We deal on an execution only basis and do not advise on the merits of particular Transactions, or their taxation consequences.

Own judgment and suitability

Without prejudice to our foregoing obligations, in asking us to enter into any Transaction, you represent that you have been solely responsible for making your own independent appraisal and investigations into the risks of the Transaction. You represent that you have sufficient knowledge, market sophistication, professional advice and experience to make your own evaluation of the merits and risks of any Transaction and that you have read and accepted the Risk Disclosure Statement and guidelines in relation to the financial instruments and the markets which are available on our website. We give you no warranty as to the suitability of the products traded under this Agreement and assume no fiduciary duty in our relations with you.

Incidental information

Where we do provide generic trading recommendations, market commentary or other information:

- a. this is incidental to your dealing relationship with us. It is provided solely to enable you to make your own investment decisions and does not amount to advice;
- b. where information is in the form of a document containing a restriction on the person or category of persons for whom that document is intended or to whom it is distributed, you agree that you will not pass it on to any such person or category of persons;
- c. we give no representation, warranty or guarantee as to the accuracy or completeness of such information or as to the tax consequences of any Transaction;
- d. you accept that prior to dispatch, we may have acted upon it ourselves or made use of the information on which it is based. We do not make representations as to the time of receipt by you and cannot guarantee that you will receive such information at the same time as other clients. Any published research reports or recommendations may appear in one or more screen information services.

Conflicts of Interest Policy

Please refer to our Conflicts of Interest Policy for further information on how we manage conflicts which would affect the impartiality of investment research we provide to you. Upon request, we will provide you with any further details in that regard.

7. CLIENT ACCOUNTS AND INITIAL DEPOSITS

Documents

Before you can place an order with the Company, you must read and accept this Agreement, including the Risk Disclosure Statement, the trading policies and procedures as listed in Clause 8 below and all applicable addenda, and your Client registration form and all accompanying documents must be approved by the Company. Upon the approval of your registration, you will be notified by email. The Company may, in its sole discretion, request that in addition to online acceptance of this Agreement, the Client must complete and submit any signed documents required by the Company, including but not limited to this Agreement and the Risk Disclosure Statement.

Currency of Accounts

You will be able to open your trading Account(s) in EUR or USD or any currency that may be offered by the Company. Account(s) balances will be calculated and reported to you in the currency in which the Account(s) are maintained.

8. TRADING POLICIES AND PROCEDURES

Placing of instructions

You may give us instructions in electronic form through our Online Trading System. In this Agreement "instructions" and "orders" have the same meaning.

Types of Orders Accepted

Some of the types of orders the Company accepts include, but are not limited to:

a. Good till Cancelled ("GTC") - An order (other than a market order), that by its terms is effective until filled or cancelled by the Client. GTC Orders are not automatically canceled at the end of the Business Day on which they are placed.

b. Limit - An order (other than a market order) to buy or sell the identified market at a specified price. A limit order to buy generally will be executed when the ask price equals or falls below the bid price that you specify in the limit order. A limit order to sell generally will be executed when the bid price equals or exceeds the ask price that you specify in the limit order.

c. Market - An order to buy or sell the identified market at the current market price that the Company provides via the Online Trading System. An order to buy is executed at the current market ask price and an order to sell is executed at the current market bid price.

d. Stop Loss - A stop loss order is an instruction to buy or sell a market at a price which is worse than the opening price of an open position (or worse than the prevailing price when applying the stop loss order to an already open position). It can be used to help protect against losses. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the stop loss order and as such, stop loss orders are not guaranteed to take effect at the price for which they are set.

e. Trailing Stop - A trailing stop is the same as a stop loss order with the only difference being that, instead of setting a price at which the order is activated, the trailing stop order is activated at a fixed distance from the market price. For example, if a Client has purchased a long open position and the market ask price increases, the trailing stop price will also increase and will trail behind the market ask price at the fixed distance set by Client. If the market ask price then decreases, the trailing stop price will remain fixed at its last position and if the market ask price reaches the trailing stop price, the order will be executed. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the trailing stop order and as such, trailing stop orders are not guaranteed to take effect at the fixed distance for which they are set.

Following submission of an order, it is your sole responsibility to remain available for order and fill confirmations, and other communications regarding your Account until all open orders are completed. Thereafter, you must monitor your Account frequently when you have open positions in the Account.

Your order shall be valid in accordance with the type and time of the given order, as specified. If the time of validity or expiration date/time of the order is not specified, it shall be valid for an indefinite period.

Terms of Acceptance for Orders

It is your sole responsibility to clearly indicate the terms of an order when entered, whether it is a market order, limit order, stop loss order or any other type of order, including the relevant price and lot size. You acknowledge and agree that, despite our best efforts, the price at which execution occurs may be materially different to the price specified in your order. This may result from sudden price movements in the underlying assets that are beyond our control. The Company shall have no liability for failure to execute orders. The Company shall have the right, but not the obligation, to reject any order in whole or in part prior to execution, or to cancel any order, where your Account contains margin that is insufficient to support the entire order or where such order is illegal or otherwise improper.

Execution Policy

We are required to have an execution policy and to provide our clients with appropriate information in relation to our execution policy. Where you place orders with us, the execution factors that we consider and their relative importance is as set out below:

- a. **Price.** The relative importance we attach is "high".
- a. **Speed.** The relative importance we attach is "high".
- b. **Likelihood of execution and settlement.** The relative importance we attach is "high".
- c. **Size.** The relative importance we attach is "high".

We may be the counterparty to every order you place with us or we may use other liquidity providers/execution venues, to which we will transmit your orders for execution.

Authority

We shall be entitled to act for you upon instructions given or purporting to be given by you or any person authorized on your behalf without further enquiry as to the genuineness, authority or identity of the person giving or purporting to give such instructions provided such instruction is accompanied by your correct Account number and password.

Cancellation/withdrawal of instructions

Non-market orders may be cancelled via our Online Trading System, but we can only cancel your instructions if you explicitly request so, provided that we have not acted up to the time of your request upon those instructions. Executed instructions may only be withdrawn or amended by you with our consent. The Company shall have no liability for any claims, losses, damages, costs or expenses, including legal fees, arising directly or indirectly out of the failure of such order to be cancelled.

Clients are obliged to pay to the Company commissions, fees, charges and other costs as agreed between the Company and each Client individually.

Right not to accept orders

We may, but shall not be obliged to, accept instructions to enter into a Transaction. If we decline to enter into a proposed Transaction, we shall not be obliged to give a reason but we shall promptly notify you accordingly.

Control of orders prior to execution

We have the right (but not the obligation) to set limits and/or parameters to control your ability to place orders at our absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation):

- a. controls over maximum order amounts and maximum order sizes;
- b. controls over our total exposure to you;
- c. orders may be submitted (to include (without limitation) controls over orders which are at a price which differs greatly from the market price at the time the order is submitted to the order book);
- d. controls over the Electronic Services (to include (without limitation) any verification procedures to ensure that any particular order or orders has come from you); and/or
- e. any other limits, parameters or controls which we may be required to implement in accordance with Applicable Regulations.

Trade Adjustments

Clients must be aware that Forex transactions carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign currency so that transactions are 'leveraged' or 'geared'. A relatively small market movement may have a proportionately larger impact on the funds that the Client has deposited or will have to deposit. This may work against as well as for the client.

The Company exclusively reserves the right to widen its variable spreads, adjust leverage, change its rollover rates and/or increase the margin requirements without notice under certain market conditions including, but not limited to, when the trading desk is closed, around fundamental announcements, as a result of changes in credit markets and/or at times of extreme market volatility. In such circumstances, the Client agrees to indemnify the Company for any and all losses that may occur due the widening of spreads and the adjustment of leverage.

Execution of orders

The Client may place orders on our trading platform. The Company will be entitled to rely and act on any order given by the Client without any further enquiry to the Client and any such orders will be binding upon the Client. Orders are being executed according to the document 'Best Interest and Order Execution Policy', which is also available on our website.

We shall use our reasonable endeavors to execute any order promptly, but in accepting your orders we do not represent or warrant that it will be possible to execute such an order or that execution will be possible according to your instructions. If we encounter any material difficulty relevant to the proper carrying out of an order on your behalf, we shall notify you promptly.

Confirmations

At the end of each trading day, confirmations for all Transactions that we have executed on your behalf on that trading day will be available via your online Account on our website, which is updated online as each Transaction is executed. Confirmation of execution and statements of your Account(s), in the absence of manifest error, shall be deemed correct, conclusive and binding upon you if not objected to by email within five Business Days of making such confirmations available to you via our website or we notify you of an error in the confirmation within the same period. In cases where the prevailing market represents prices different from the prices posted by the Company, the Company will attempt, on a best-efforts basis and in good faith, to execute market orders on or close to the prevailing market prices. This may or may not adversely affect clients realized and unrealized gains and losses.

Improper or Abusive Trading

The Company's objective is to provide the most efficient trading liquidity available in the form of streaming, tradable prices for most of the financial instruments we offer on the trading platform. As a result of the highly automated nature of the delivery of these streaming, tradable prices, you acknowledge and accept that price misquotations are likely to occur from time to time.

Should you execute trading strategies with the objective of exploiting such misquotation(s) or act in bad faith (commonly known as 'sniping'), the Company shall consider this as unacceptable behavior. Should the Company determine, at its sole discretion and in good faith, that you or any representative of yours trading on your behalf is taking advantage, benefitting, attempting to take advantage or to benefit of such misquotation(s) or that you are committing any other improper or abusive trading act such as for example:

- a. fraud/illegal actions that led to the transaction;
- b. orders placed based on manipulated prices as a result of system errors or system malfunctions;
- c. arbitrage trading on prices offered by our platforms as a result of systems errors; and/or

- d. coordinated transactions by related parties in order to take advantage of systems errors and delays on systems updates.

Then the Company will have the right to:

- a. adjust the price spreads available to you; and/or
- b. restrict your access to streaming, instantly tradable quotes, including providing manual quotation only; and/or
- c. reverse any historic trading profits that you have made through such abuse of liquidity as determined by us at any time during our trading relationship; and/or
- d. reject an order or to cancel a trade; and/or
- e. temporarily or permanently bar access to the Platform(s) or suspend or prohibit any functions of the Platform(s); and/or
- f. immediately terminate this Agreement without prior notice to the Client

Prohibited Actions

It is absolutely prohibited for the Client to take any of the following actions in relation to the Company's systems and/or Platform(s) and/or Client Account:

- a. **Use, without the prior and written consent of the Company, of any software, which applied artificial intelligence analysis to the Company's systems and/or Platform(s) and/or Client Account.**
- b. **Intercept, monitor, damage or modify any communication which is not intended for him.**
- c. **Use any type of spider, virus, worm, Trojan-horse, time bomb or any other codes or instructions that are designed to distort, delete, damage or disassemble the Platform(s) or the communication system or any system of the Company.**
- d. **Send any unsolicited commercial communication not permitted under applicable law or Applicable Regulations.**
- e. **Do anything that will or may violate the integrity of the Company computer system or Platform(s) or cause such system(s) to malfunction or stop their operation.**
- f. **Unlawfully access or attempt to gain access, reverse engineer or otherwise circumvent any security measures that the Company has applied to the Platform(s).**
- g. **Do any action that could potentially allow the irregular or unauthorized access or use of the Platform(s).**
- h. **Send massive requests on the server which may cause delays in the execution time.**

Disabling and Canceling Deposits (if applicable)

We have the right not to accept funds deposited by you and/or to cancel your deposits in the following circumstances:

- a. if you fail to provide the Company with any documents it requests from you either for client identification purposes or for any other reason;
- b. if the Company suspects or has concerns that the submitted documents may be false or fake;
- c. if the Company suspects you are involved in illegal or fraudulent activity;

- d. if the Company is informed that your credit or debit card (or any other payment method used) has been lost or stolen;
 - e. where the Company considers that there is a chargeback risk; and/or
 - f. when you deposit \$10,000 or more or if you make over 10 separate deposits to your trading.
- Accounts and the Company is unable to verify your credit or debit card details or is unable to verify any other payment method used.

In case of cancelled deposits, and if there is not a confiscation of your funds by a supervisory authority on the grounds of money laundering suspicion or for any other legal infringement, your funds will be returned to the bank account that have been initially received.

Performance and settlement

You will promptly deliver any instructions, money, or documents deliverable by you under a Transaction in accordance with that Transaction as modified by any instructions given by us.

Position limits

We may require you to limit the number of open positions which you may have with us at any time and we may in our sole discretion close out any one or more Transactions in order to ensure that such position limits are maintained.

Withdrawals

Without prejudice and subject to the terms of this Agreement, all Applicable Regulations and all conditions attaching to any relevant payments made to you under a rebate scheme operated by us, monies may be withdrawn by you from your Account provided that such monies are not being utilised for margin purposes or have otherwise become owing to us. Once your withdrawal request is approved your withdrawal request will be processed by us and sent to the same bank, credit card or other source for execution as soon as possible. The funds will be returned to the bank account/credit card/ other source from which the funds were debited.

If you request a withdrawal of monies from your Account and we cannot comply with it without closing some part of your open positions, we will not comply with the request until you have closed sufficient positions to allow you to make the withdrawal. In order to process your withdrawal request please ensure that the funds remaining on your account following your withdrawal is at least twice of your used margin. Withdrawals will only be made on request by you, by bank transfer to an account in your name or such other method as we, in our absolute discretion, may determine.

10. SAFEKEEPING OF CLIENT MONEY (if applicable)**Client Money**

It is understood that the Company may keep merchant accounts in its name with payment services providers used to settle payment transactions of its clients. However, it is clarified that such merchant accounts are not used for safekeeping of Clients' money but only to effect settlements of payment transactions.

We treat money received from you or held by us on your behalf in accordance with the requirements of the Client Money Rules. In case the parties agree that the money received from You will not be treated as client's funds and be subject to client Money Rules, a separate agreement should be executed by both parties (TTCA Agreement).

Interest

You, the client, acknowledge and confirm that no interest will be received on the balance of your account.

Overseas banks, intermediate broker, settlement agent or OTC counterparty

The Company aims to hold your money only in EEA regulated credit and financial institutions which employ and have Client Money rules similar to ours and which are supervised by regulatory authorities of equivalent status to ours. In the unlikely event that we may hold Client Money outside the EEA, the legal and regulatory regime applying to any such financial institution will be different from that of the EEA and in the event of the insolvency or any other analogous proceedings in relation to that financial institution, your money may be treated differently from the treatment which would apply if the money was held with a financial institution in an account in the EEA.

We do not hold Clients' Money in unregulated financial institutions. We may, however, pass on Clients' Money to any regulated third party (e.g. a bank, a market maker or liquidity provider, merchant, e-wallet, intermediate broker, OTC counterparty or clearing house) to hold or control in order to effect a Transaction through or with that person or to satisfy your obligation to provide collateral (e.g. initial Margin requirement) in respect of a Transaction. We carry out annual risk assessments of all regulated third parties we work with, but have no responsibility for any acts or omissions of any regulated third party to whom we pass money received from you. The regulated third party to whom we pass money may hold it in an omnibus account and it may not be possible to separate it from our money, or the third party's money depending on the third party's regulatory provisions. In the event of an insolvency or any other analogous proceedings in relation to that regulated third party, we may only have an unsecured claim against the regulated third party on behalf of you and our other Clients, and you may be exposed to the risk that the money received by us from the regulated third party is insufficient to satisfy the claims of you and all other Clients with claims in respect of the relevant account. The Company accepts no responsibility for any funds not deposited directly into the Company's bank accounts, for losses (directly or as a result of) due to delays and/or failures to deposit/ remit funds through affiliated and/ or third parties.

Liability and Indemnity

You agree that we shall not be liable for any default of any counterparty, bank, custodian or other entity which holds money on your behalf or with or through whom transactions are conducted. The Company will not be liable for loss suffered by you in connection to your funds held by us, unless such loss directly arises from our gross negligence, willful default or fraud.

11. MARGINING ARRANGEMENTS

Specific margin requirements will be agreed between the Client and the Company prior to establishing a business relationship.

Contingent liability

Where we effect or arrange a Transaction, you should note that, depending upon the nature of the Transaction, you may be liable to make further payments when the Transaction fails to be completed or upon the earlier settlement or closing out of your position. You may be required to make further variable payments by way of margin against the purchase price of the investment, instead of paying (or receiving) the whole purchase (or sale) price immediately. The movement in the market price of your investment will affect the amount of margin payment you will be required to make. We will monitor your margin requirements on a daily basis and we will inform you as soon as it is reasonably practicable of the amount of any margin payment required under this clause.

Margin call

You agree to pay us on demand such sums by way of margin as are required from time to time as we may in our discretion reasonably require for the purpose of protecting ourselves against loss or risk of loss on present, future or contemplated Transactions under this Agreement.

Failure to meet margin call

Please note that in the event that you fail to meet a margin call, we may immediately close out the position.

Form of margin

Margin must be paid in cash in currency acceptable by us, as requested from time to time by the Company. Cash Margin paid to us is held as client money in accordance with the requirements of the Client Money Rules. Margin deposits shall be made by wire transfer, credit card, e-wallet or by such other means as the Company may direct.

If there is an Event of Default or this Agreement terminates, we shall set-off the balance of cash margin owed by us to you against your obligations (as reasonably valued by us). The net amount, if any, payable between us following such set-off, shall take into account the Liquidation Amount payable under Clause 15 (Netting).

Further assurance

You agree to execute such further documents and to take such further steps as we may reasonably require to perfect our security interest over and obtain legal title to the Secured Obligations.

Negative pledge

You undertake neither to create nor to have outstanding any security interest whatsoever over, nor to agree to assign or transfer, any of the cash margin transferred to us, except a lien routinely imposed on all securities in a clearing system in which such securities may be held.

General lien

In addition, and without prejudice to any rights to which we may be entitled under this Agreement or any Applicable Regulations, we shall have a general lien on all cash held by us or our Associates or our nominees on your behalf until the satisfaction of the Secured Obligations.

12. REPRESENTATIONS, WARRANTIES AND COVENANTS

f. you act as principal and sole beneficial owner (but not as trustee) in entering into this Agreement and each Transaction and in case you wish to open, either in the present time or in the future, more than one accounts with the Company as legal person it is required to immediately disclose to us that you are the beneficial owner of the account(s) during the account opening procedure and to provide us with the necessary information and/or documentation regarding the relationship between the legal person(s);

g. any information which you provide or have provided to us in respect of your financial position, domicile or other matters is accurate and not misleading in any material respect;

h. you are willing and financially able to sustain a total loss of funds resulting from Transactions and trading in such Transactions is a suitable investment for you; and

i. except as otherwise agreed by us, you are the sole beneficial owner of all margin you transfer under this Agreement, free and clear of any security interest whatsoever other than a lien routinely imposed on all securities in a clearing system in which such securities may be held.

Covenants:

You covenant to us:

a. you will at all times obtain and comply, and do all that is necessary to maintain in full force and effect, all authority, powers, consents, licenses and authorizations referred to in this clause;

b. you will promptly notify us of the occurrence of any Event of Default or Potential Event of Default with respect to yourself or any Credit Support Provider;

c. you will use all reasonable steps to comply with all Applicable Regulations in relation to this Agreement and any Transaction, so far as they are applicable to you or us;

14. NETTING

Rights on Default

On the occurrence of an Event of Default, we may exercise our rights under this clause, except that in the case of the occurrence of any Event of Default specified in Clause 14.b or Clause 14.c of the definition of Events of Default (each a **"Bankruptcy Default"**), the automatic termination provision of this clause shall apply.

Liquidation Date

We may, by notice to you, specify a date (the **"Liquidation Date"**) for the termination and liquidation of Transactions in accordance with this clause.

Automatic termination

Liquidation Date, without the need for any notice by us and the provisions of the following subclause shall then apply.

Calculation of Liquidation Amount

Upon the occurrence of a Liquidation Date:

- a. neither of us shall be obliged to make any further payments or deliveries under any Transactions which would, but for this clause, have fallen due for performance on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount (as defined below);
- b. we shall (on, or as soon as reasonably practicable after, the Liquidation Date) determine (discounting if appropriate), in respect of each Transaction the total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency specified by us in writing or, failing any such specification, the lawful currency of the United States (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or reestablishing of any hedge or related trading position) as a result of the termination, pursuant to this Agreement, of each payment or delivery which would otherwise have been required to be made under such Transaction (assuming satisfaction of each applicable condition precedent and having due regard, if appropriate, to such market quotations published on, or official settlement prices set by the relevant exchange as may be available on, or immediately preceding, the date of calculation); and
- c. we shall treat each cost or loss to us, determined as above, as a positive amount and each gain by us, so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the **"Liquidation Amount"**).

Payer

If the Liquidation Amount determined pursuant to this clause is a positive amount, you shall pay it to us and if it is a negative amount, we shall pay it to you. We shall notify you of the Liquidation Amount, and by whom it is payable, immediately after the calculation of such amount.

Other transactions

Where termination and liquidation occur in accordance with this clause, we shall also be entitled, at our discretion, to terminate and liquidate, in accordance with the provisions of this clause, any other transactions entered into between us which are then outstanding.

Payment

The Liquidation Amount shall be paid in the Base Currency by the close of business on the Business Day following the completion of the termination and liquidation under this clause (converted as required by applicable law into any other currency, any costs of such conversion to be borne by you, and (if applicable) deducted from any payment to you). Any Liquidation Amount not paid on the due date shall be treated as an unpaid such amount and bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11.00 am (London time) (or, if no such rate is available, at such reasonable rate as we may select) plus one (1%) per annum for each day for which such amount remains unpaid.

Base Currency

For the purposes of any calculation hereunder, we may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as we shall reasonably select.

Payments

Unless a Liquidation Date has occurred or has been effectively set, we shall not be obliged to make any payment or delivery scheduled to be made by us under a Transaction for as long as an Event of Default or any event which may become (with the passage of time, the giving of notice, the making of any determination hereunder, or any combination thereof) an Event of Default with respect to you has occurred and is continuing.

Additional rights

Our rights under this clause shall be in addition to, and not in limitation or exclusion of, any other rights which we may have (whether by agreement, operation of law or otherwise).

Application of netting to Transactions

This clause applies to each Transaction entered into or outstanding between us on or after the date this Agreement takes effect.

Single agreement

This Agreement, the terms applicable to each Transaction entered into under this Agreement, and all amendments to any of them shall together constitute a single agreement between us. We both acknowledge that all Transactions entered into on or after the date this Agreement takes effect are entered into in reliance upon the fact that the Agreement and all such terms constitute a single agreement between us.

15. RIGHTS ON DEFAULT

Default

On an Event of Default or at any time after we have determined, in our absolute discretion, that you have not performed (or we reasonably believe that you will not be able or willing in the future to perform) any of your obligations to us, in addition to any rights under the Clause 15 (Netting) we shall be entitled, without prior notice to you:

- a. instead of returning to you investments equivalent to those credited to your account, to pay to you the fair market value of such investments at the time we exercise such right;
- b. to sell such of your investments as are in our possession or in the possession of any nominee or third party appointed under or pursuant to this Agreement, in each case as we may in our absolute discretion select or and upon such terms as we may in our absolute discretion think fit (without being responsible for any loss or diminution in price) in order to realize funds sufficient to cover any amount due by you hereunder;

c. to close out, replace or reverse any Transaction, buy, sell, borrow, or lend or enter into any other Transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss or liability under or in respect of any of your contracts, positions or commitments; and/or

d. to cancel and/or consider void any Transactions and profits or losses either realized or unrealized and/or to close out the account(s) you maintain with us pursuant to this Agreement, immediately and without prior notice.

16. TERMINATION WITHOUT DEFAULT

Termination

Unless required by Applicable Regulations, either party may terminate this Agreement (and the relationship between us) by giving ten (10) days written notice of termination to the other. Termination will be without prejudice to Transactions already initiated. In the case of such termination, all pending Transactions on behalf of the Client shall be cancelled and any open positions shall be closed.

We may terminate this Agreement immediately if you fail to observe or perform any provision of this Agreement or in the event of your insolvency. Upon terminating this Agreement:

a. all amounts payable by you to us will become immediately due and payable including (but without limitation):

- all outstanding fees, charges and commissions;
- any dealing expenses incurred by terminating this Agreement; and
- any losses and expenses realized in closing out any Transactions or settling or concluding outstanding obligations incurred by us on your behalf.

b. The Company shall apply best execution rules in cases where you have not provided the Company with specific instructions regarding the closing of your positions.

c. If applicable, the Company shall return any funds remaining in your trading account to your bank account, specifically the account from which the funds were debited. Your funds may be returned to another bank account to which you are the beneficiary as long as you provide us with the required documents to verify that the account belongs to you.

Existing rights

Termination shall not affect the outstanding rights and obligations and Transactions which shall continue to be governed by this Agreement and the particular clauses agreed between us in relation to such Transactions until all obligations have been fully performed.

17. EXCLUSIONS, LIMITATIONS AND INDEMNITY

General Exclusion

Neither we nor our directors, officers, employees, or agents shall be liable for any losses, damages, costs or expenses, whether arising out of negligence, breach of contract, misrepresentation or otherwise, incurred or suffered by you under this Agreement (including any Transaction or where we have declined to enter into a proposed Transaction) unless such loss is a reasonably foreseeable consequence or arises directly from our or their respective gross negligence, willful default or fraud. In no circumstance, shall we have liability for losses suffered by you or any third party for any special or consequential damage, loss of profits, loss of goodwill or loss of business opportunity arising under or in connection with this Agreement, whether arising out of negligence, breach of contract, misrepresentation or otherwise.

We reserve the right, at our full discretion, not to execute the order, or to change the quoted price of the Transaction, or to offer you a new quote, in case of technical failure of the trading platform or in case of extraordinary or abnormal fluctuations of the price of the financial instrument as offered in the market. In the event we offer you a new quote you have the right to either accept it or refuse it and thus cancel the execution of the Transaction. Without limitation, we do not accept any liability by reason of any delay or change in market conditions before any particular Transaction is effected.

Limitation of Liability

We shall not be liable to you for any partial or non-performance of our obligations hereunder by reason of any cause beyond our reasonable control, including without limitation any breakdown, delay, malfunction or failure of transmission communication or computer facilities, industrial action, act of terrorism, act of God, acts and regulations of any governmental or supra national bodies or authorities or the failure by the relevant intermediate broker or agent, agent or principal of our custodian, sub-custodian, dealer, exchange, clearing house or regulatory or self-regulatory organization, for any reason, to perform its obligations. Nothing in this Agreement will exclude or restrict any duty or liability we may have to you under Applicable Regulations, which may not be excluded or restricted thereunder.

Responsibility for orders

You will be responsible for all orders entered on your behalf via an Electronic Service and you will be fully liable to us for the settlement of any Transaction arising from it.

Entire Agreement

You acknowledge that you have not relied on or been induced to enter into this Agreement by a representation other than those expressly set out in this Agreement. We will not be liable to you (in equity, contract or tort) for a representation that is not set out in this Agreement and that is not fraudulent.

Rights and remedies

The rights and remedies provided under this Agreement are cumulative and not exclusive of those provided by law. We shall be under no obligation to exercise any right or remedy either at all or in a manner or at a time beneficial to you. No failure by us to exercise or delay by us in exercising any of our rights under this Agreement (including any Transaction) or otherwise shall operate as a waiver of those or any other rights or remedies. No single or partial exercise of a right or remedy shall prevent further exercise of that right or remedy or the exercise of another right or remedy.

Without prejudice to any other rights to which we may be entitled, we may at any time and without notice to you set off any amount (whether actual or contingent, present or future) owed by you to us against any amount (whether actual or contingent, present or future) owed by us to you. For these purposes, we may ascribe a commercially reasonable value to any amount which is contingent or which for any other reason is unascertained.

Partial invalidity

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this Agreement nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired.

20. GOVERNING LAW AND JURISDICTION

Governing law

This Agreement shall be governed by and construed in accordance with Cyprus law.

Jurisdiction

Each of the parties irrevocably:

a. agrees that the courts of Cyprus shall have exclusive jurisdiction to settle any suit, action or other proceedings relating to this Agreement ("**Proceedings**") and irrevocably submits to the jurisdiction of such courts; and

b. waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court and agrees not to claim that such Proceedings have been brought in an inconvenient forum or that such court does not have jurisdiction over it.

Waiver of immunity and consent to enforcement

You irrevocably waive to the fullest extent permitted by applicable law, with respect to yourself and your revenue and assets (irrespective of their use or intended use) all immunity on the grounds of sovereignty or other similar grounds from suit; jurisdiction of any courts; relief by way of injunction, order for specific performance or for recovery of property; attachment of assets (whether before or after judgment); and execution or enforcement of any judgment to which you or your revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agree that you will not claim any immunity in any Proceedings. You consent generally in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings, including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such Proceedings.

Service of process

If you are situated outside Cyprus, the process by which any Proceedings in Cyprus are begun may be served on you by being delivered to the address in Cyprus nominated by you for this purpose. This does not affect our right to serve processes in another manner permitted by law.
